Good Morning.

Thank you for taking time to review my application. With regards to the letter received on June 13, 2006 regarding patent application 10/733,113 with filing date 12/11/2003, we have made a decision to choose the second group of claims 11-20 at this time. Claims 1-10 will be filed as a continuation to this patent at a later date.

While all the claims are important to cover the full range of this application, we can understand the reviewer might see them as separate applications. At this time please process the application using claims 11-20. If there are any questions please contact Terence Q. Collier at the information listed above.

Again, thank you for taking time to review my application.
